EDDISTONE CONSULTING LTD

GUIDING RESILIENCE

SERVICES PORTFOLIO 2026

Eddystone builds trusted relationships with organisations to develop their resilience and enable clients to protect their business. We focus on 3 areas of Resilience; Safety, Risk and Readiness; Response and Recovery.

Our partnership and accreditations with RoSPA, IIRSM and JOIFF ensures you receive the highest standards of support. Drawing on over 400 years of collective experience, our guidance, consultancy, training and exercises have improved Resilience for more than 250 organisations, globally.

Our customers include high-hazard (Control of Major Accident Hazards (COMAH) and non CoMAH/SEVESO) operators, critical infrastructure, governments, high-reliability and high-profile organisations from both the private and public sectors.

Eddystone is also known for class leading training and exercises, which our consultant team deliver at customer sites; alternatively our centrally located National Response Academy (NRA) training centre provides for individuals and dispersed workforces helping to make standardised training easy to achieve.
